

## **Catch Youth Voices with 50% ticket subsidy with Keppel Nights Scheme**

Join The A Cappella Society's own youth singers for an evening of popular tunes in various formations, styles and fashions. TAS Youth Voices is a free training programme from The A Cappella Society. Youths from all over Singapore learn the basics of singing, harmonising and A Cappella music and perform on many occasions throughout the year. The concert is a showcase performance for the group highlighting the versatility in repertoire and formation, ranging from Pop A Cappella to Jazz Choir.

A concert that will present the music of a cappella greats like Anders Enderoth, Andrea Figallo, Michelle Weir, Jens Johansen, Deke Sharon, Randy Crenshaw and many more. This concert will present the ensembles of The A Cappella Society, showcasing their prowess for contemporary choral, pop and jazz a cappella performance.

Our ensembles have been created to provide an avenue for local singers to cultivate good musical foundation in theory and practical practice in voice and we aim to grow each team to reach international standards of contemporary vocal performance.
