

From the Desk of The A Cappella Society - March 2010

Hi everyone!

March has a performance of TAS Youth Voices lined up, it's at the launch of the Olympic Clock counting down to the start of the Youth Olympic Games at Ang Mo Kio Central, come by on 13 March and listen! The following week we've been invited to hold a workshop at the University of Macau for groups from Macau and Shanghai, we're quite excited about it and hopefully can expand our contacts in that part of Asia to bring more international groups to Singapore.

Looking ahead to April, Vocal Mania is coming with an exciting mix of groups lined up to perform at The Arts House. The program and schedule will be available on our website soon, or contact us for the details, tickets will be available from The Arts House Box Office or you can contact us for the tickets.

Apart from pop & jazz vocal exercises that will help keep your voice in shape, you will also explore a variety of pop, jazz, mandarin songs and even ballads. This course aims to provide singers with a good foundation in singing technique (posture, breathing, anatomy, support, tone production) and then guide you on how you can use your voice for a variety of musical genres. Ring in the new year and relish in something you are passionate about! The A Cappella Society would like to invite you to sign up for the course "Advanced Vocals". Good news for friends who have previously attended Ms Huimin's "Pop Vocals course"; this course would be a continuation of the previous one, where strengthening of the voice remain as the main objective, plus we would be doing some styling and other aspects of singing. The next course will commence on 16 March 10, Tuesdays, 7.30pm, TAPAC. Please contact us at contact@a-cappella.org.sg if you're interested to know more about the course.

ARTS EDUCATION PROGRAMME 2009/10

For the next two years we can offer your school two programmes that are NAC approved and eligible for Tote Board subsidy:

ROCK POP A CAPPELLA WITH NANU

The program presents A Cappella singing through an interactive session and demonstrates different styles and how a song is put together. It is a hands-on approach to exploring a cappella singing and vocal percussing. Hosted by a team from The A Cappella Society singing as an a cappella vocal band made up of professional singers, musicians and teachers, the session will introduce 3 tips in singing and share Vocal Percussion tips. Volunteer participation will be encouraged throughout the show and as a result the students will enjoy a highly interactive and very enjoyable and exciting presentation.

A CAPPELLA VOCAL JAM

This light-hearted and highly interactive a cappella jam session will include tips on vocal technique and will encourage the general mass audience to take part in simple and repetitive musical stanzas that are built up into songs. This will be presented with the use of theater stage skills which will help in creating a better atmosphere for the audience to be willing to try their hand at making some music! The simple structure will give the students inspiration to make more of their own tunes come alive with imagination and creativity. Led by two veteran a cappella singers and performers, this session promises to be entertaining, inspiring and intriguing.
