## **Vocal Mania**

Celebrate the power and beauty of the human voice with us! Join us at The Arts House for one full day exclusively dedicated to vocal music, from A Cappella, Choral or Solo singing to Musical Theater, Rock or Beatbox performances. Vocal Mania will be The A Cappella Society's first simultaneous multi-concert fiesta with the aim of raising funds for our society as well as to enter for the Singapore Book of Records for the most number of vocal concerts held in 1 venue in 1 day. With a diverse repertoire, there will be workshops and performances from TAS groups and various local groups including choir groups.

The A Cappella Society Ltd is an established charity and IPC with a strong and credible history in creating and promoting vocal music programmes in Singapore.

It has provided free and ticketed programmes to all levels of audiences for over 8 years, incepting itself as a company only in 2008 after many years of establishing its very successful staple of annual programmes.

As the only professional provider of a cappella training and out-reach programmes in Singapore, TAS has worked extremely hard to attain its recognition and status in the local community over the years.

It is now necessary to fund-raise to further develop its staff strength and herein further develop its initiatives and programmes and create a longer term vision in creating international-standard a cappella talent for Singapore.

## Upcoming events:

### **Youth Voices - Songs From Grease**

Join The A Cappella Society's own youth singers for an evening of songs from popular musical theater and TV shows like Grease and Glee, completed by some of the singer's favourite songs and even their own arrangements. The songs will be presented in various formations and styles, all a cappella of course, with even some attempts at acting! Come and enjoy a fresh take of your favourite songs and re-live the spirit of the era in its musical form!

TAS Youth Voices is a free training programme from The A Cappella Society. Youths from all over Singapore learn the basics of singing, harmonising and A Cappella music and perform on many occasions throughout the year. The concert is a showcase performance for the group highlighting the versatility in repertoire and formation, ranging from Pop A Cappella to Jazz Choir.
