The A Cappella Championships

Be mesmerized by classic, jazz and pop tunes alike as the groups fight it out for victory at this year's Aca Champs! The A Cappella Championships has become a staple in the A Cappella Society's annual calendar of events. It invites the best a cappella groups from all corners of Singapore to compete in a sing-off that challenges not only the performers themselves, but also the audience in re-evaluating the ever-changing genre of a cappella music.

The Aca Champs, as it is endearingly known as, is a programme that aims to provide positive reinforcement for all participating groups and serves as an annual testing ground for local and new pop / jazz a cappella groups to compete against one another in a friendly environment, winning prizes that would enable them to reach more performance platforms and opportunities in our society.

It has over the last 8 years become THE annual a cappella competition, allowing singers to watch and learn from other teams and to assess for themselves the development of standards across the categories each year.

It's getting bigger and better! For its 3rd year, Singapore's International A Cappella Festival will continue to grow into a 2 week vocal extravaganza featuring top A Cappella groups from around the world!

This year's line up will again be highlighted by some of the best European a cappella groups, Fool Moon from Hungary and a return visit by Vocaldente from Germany with its unique style of pop a cappella. Other German groups include Niniwe und Klangbezirk for a heavy dose of Vocal Jazz.
