Rock Pop A Cappella with nanu

The program presents A Cappella singing through an interactive session and demonstrates different styles and how a song is put together. It is a hands-on approach to exploring a cappella singing and vocal percussing. Hosted by a team from The A Cappella Society singing as an a cappella vocal band made up of professional singers, musicians and teachers, the session will introduce 3 tips in singing and share Vocal Percussion tips. Volunteer participation will be encouraged throughout the show and as a result the students will enjoy a highly interactive and very enjoyable and exciting presentation.

A Cappella Vocal Jam

This light-hearted and highly interactive a cappella jam session will include tips on vocal technique and will encourage the general mass audience to take part in simple and repetitive musical stanzas that are built up into songs. This will be presented with the use of theater stage skills which will help in creating a better atmosphere for the audience to be willing to try their hand at making some music! The simple structure will give the students inspiration to make more of their own tunes come alive with imagination and creativity. Led by two veteran a cappella singers and performers, this session promises to be entertaining, inspiring and intriguing.

[The Tufts Beelzebubs feat. SMU Voix - Tote Board approved](#)

The Beelzebubs are Tufts University's oldest all-male a cappella group. Founded in 1963, the Bubs have always lived up to their motto, providing "Fun through Song" to audiences of all ages. Today, their diverse repertoire includes many contemporary tunes from all genres; everything from classic rock to more current pop and rock to R&B and rap. They pride themselves on their energetic, musically polished performances and innovative arrangements.

Their recent accomplishments include performances at Fenway Park, at the U.S. Embassy in London, on *Good Morning America* and *Late Night with David Letterman*. They have sung for President Bill Clinton, President Barack Obama, Secretary of State Hillary Clinton, Sen. John Kerry, and Gov. Bill Richardson, and have toured Asia, Europe and all corners of the United States. They were recently featured in the book *Pitch Perfect: The Quest for Collegiate A Cappella Glory*, by Mickey Rapkin, and one of their recordings was even played on the space shuttle Columbia!

The event will feature an opening performance by SMU Voix, Singapore's own collegiate A Cappella group from Singapore Management University.
