Rock Pop A Cappella with nanu

The program presents A Cappella singing through an interactive session and demonstrates different styles and how a song is put together. It is a hands-on approach to exploring a cappella singing and vocal percussing. Hosted by a team from The A Cappella Society singing as an a cappella vocal band made up of professional singers, musicians and teachers, the session will introduce 3 tips in singing and share Vocal Percussion tips. Volunteer participation will be encouraged throughout the show and as a result the students will enjoy a highly interactive and very enjoyable and exciting presentation.

A Cappella Vocal Jam

This light-hearted and highly interactive a cappella jam session will include tips on vocal technique and will encourage the general mass audience to take part in simple and repetitive musical stanzas that are built up into songs. This will be presented with the use of theater stage skills which will help in creating a better atmosphere for the audience to be willing to try their hand at making some music! The simple structure will give the students inspiration to make more of their own tunes come alive with imagination and creativity. Led by two veteran a cappella singers and performers, this session promises to be entertaining, inspiring and intriguing.
