## **A Cappella Vocal Jam**

*Arts Education Programme 2009/10*

This light-hearted and highly interactive a cappella jam session will include tips on vocal technique and will encourage the general mass audience to take part in simple and repetitive musical stanzas that are built up into songs. This will be presented with the use of theater stage skills which will help in creating a better atmosphere for the audience to be willing to try their hand at making some music! The simple structure will give the students inspiration to make more of their own tunes come alive with imagination and creativity. Led by two veteran a cappella singers and performers, this session promises to be entertaining, inspiring and intriguing.

### Content:

- Exposure to a cappella music-making style aka Mr. Bobby McFerrin, where the audience is a central part of the programme.
- Showcasing that a cappella is not only about pop music but essentially it is about making your own music
- Showcasing that simple tunes can be created into an entire song
- Tips on vocal technique
- Opportunity to volunteer on stage and to experience making a cappella tunes through the use of short musical stanzas that will be built into full songs.
